Gross floor area, for a building, means the total floor area of all storeys of the building, measured from the outside of the external walls and the centre of any common walls of the building, other than areas used for—

a. building services, plant or equipment; or

b. access between levels; or

c. a ground floor public lobby; or

d. a mall; or

e. parking, loading or manoeuvring vehicles; or

f. unenclosed private balconies, whether roofed or not.
