

MIANJIN PLACE - VIEWING THE CITY

DESIGNED BY LILY PEPPER

"People Watching" platforms

Designated space for functions and activities

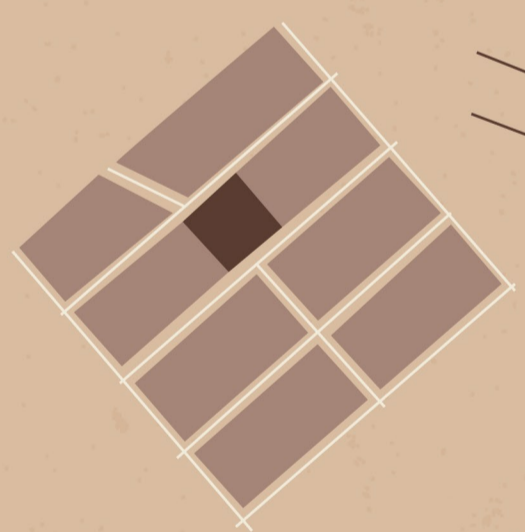

Bumpy ash tree

Sandstone - representative of Brisbane and its architecture

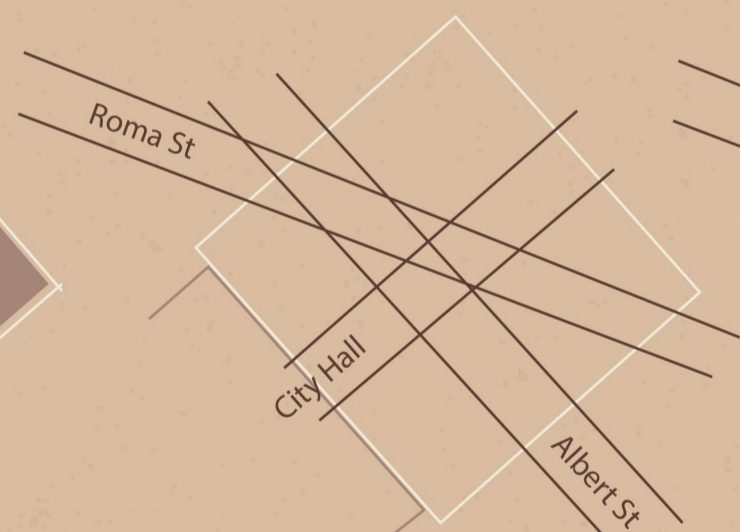

Jacaranda "Brisbane Snow"

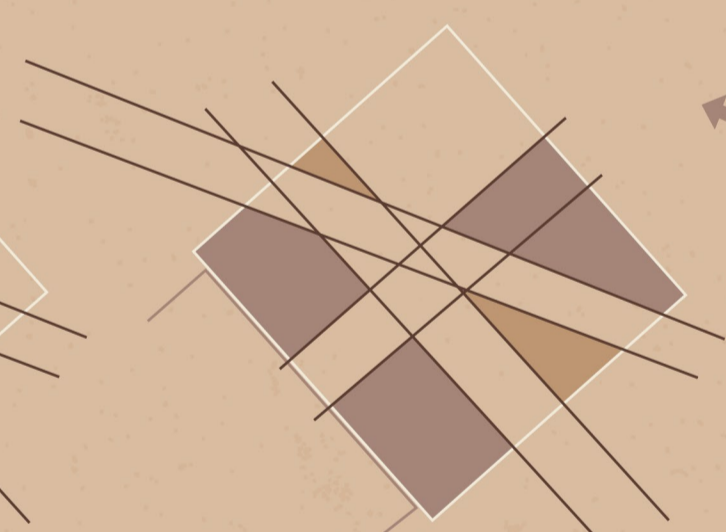

Plan 1:250

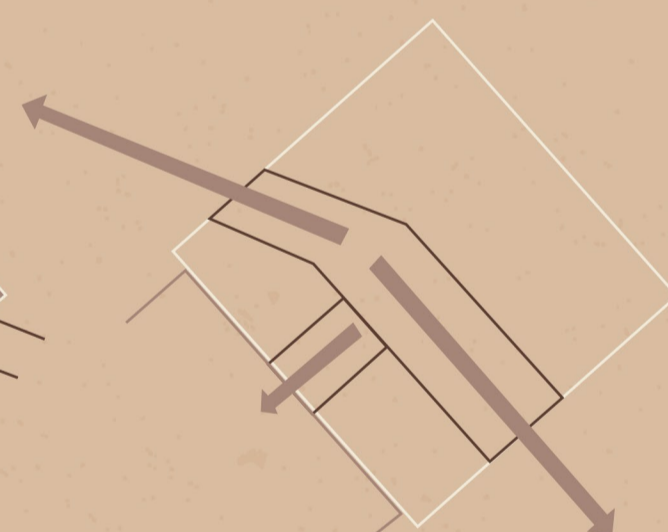

CBD Plan

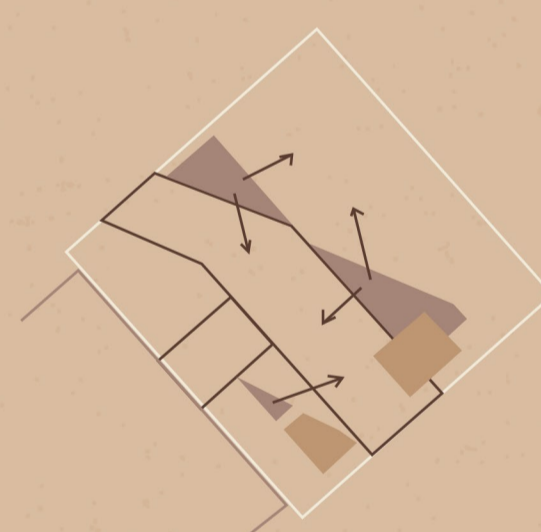

Axis from Roma St, Albert St and City Hall

Intersecting spaces

Pathways follow the axis

Platforms generated from these spaces - ideal placement for 'people watching'

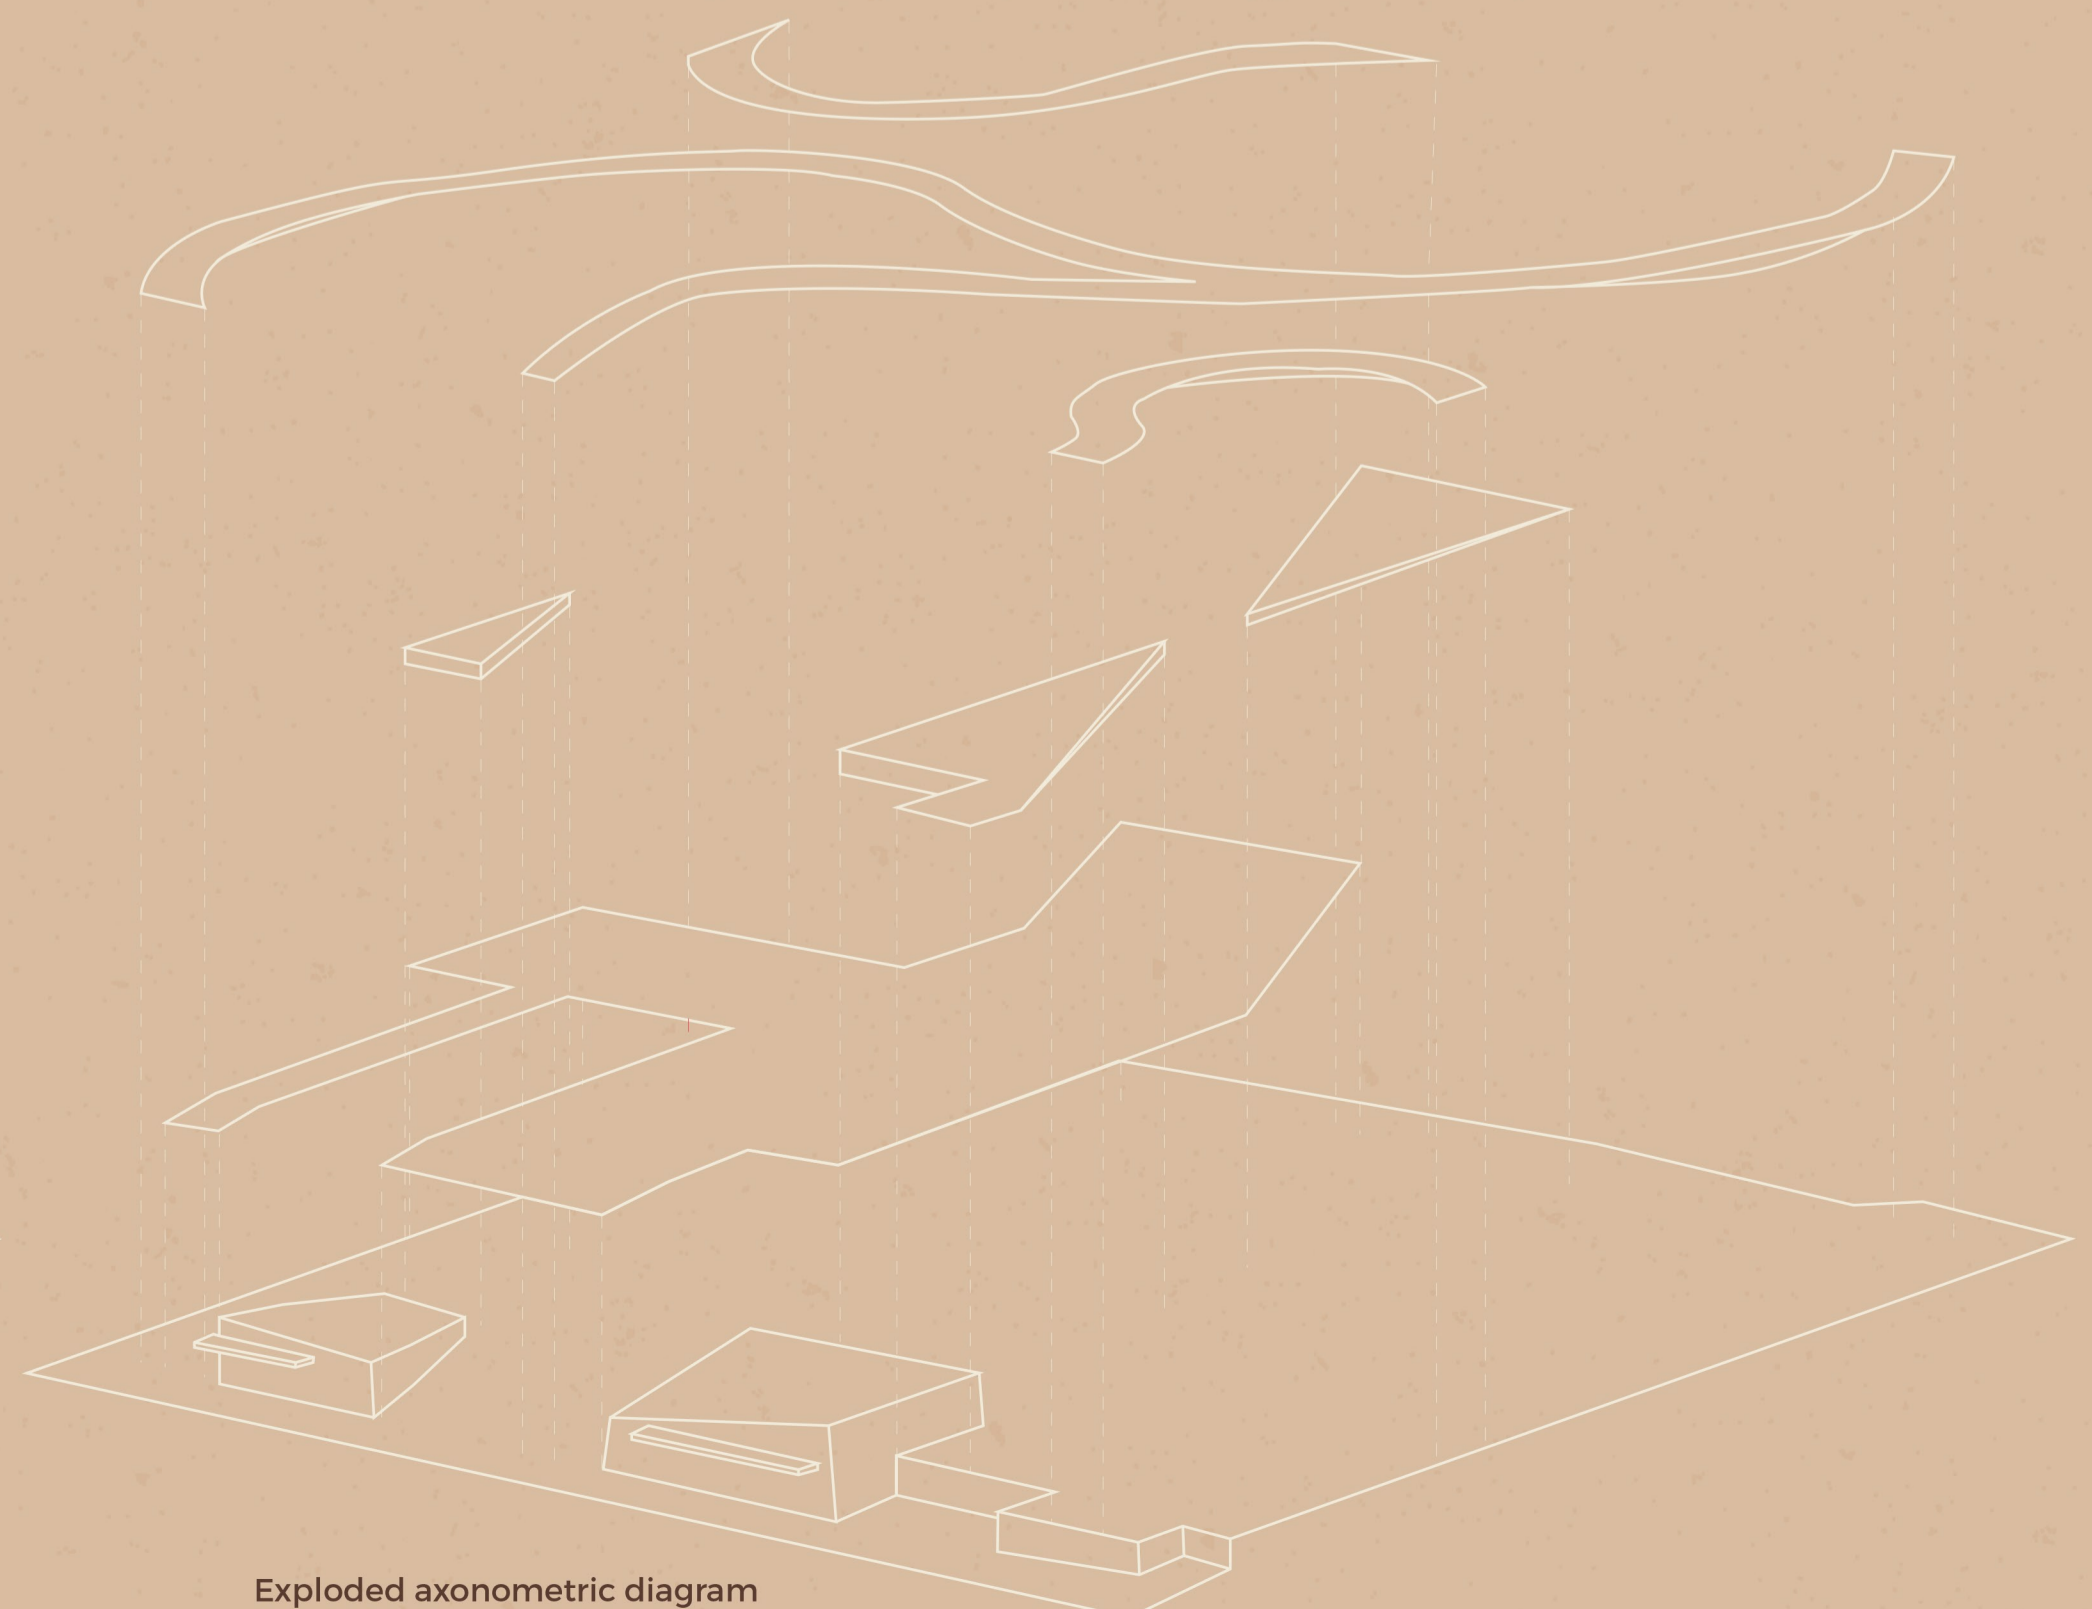

Organic small scale paths

Interrelationship between paths, platforms and axis

Axonometric
